

Universidad  
Carlos III de Madrid

## Invited Research Talk

**“Signal Processing for Autonomous Surveillance Systems: Learning and Detecting Track Abnormalities from Datasets”**

**4<sup>th</sup> May 2017, 12:00, Sala de Juntas,  
Campus Colmenarejo**

**Prof. Carlo Regazzoni**

University of Genoa, Italy

Chair of Excellence, Universidad Carlos III de Madrid

Vice President Conferences, IEEE Signal Processing Society
